Dear Mr. Kubik:

This is in reply to your letter of February 16, concerning your registration with the Boy Scouts of America.

You indicate that at the present time your registration has been refused and I am not aware of having any correspondence with you recently concerning this type of situation. Perhaps, you need to give me more information about this?

If your registration was refused at this time, then perhaps you might determine if anytime in the past it was refused or if you had any problems which you feel would have caused your registration to be questioned. If you did have this situation exist, then, no doubt, the reasons for refusal this time would be the same.

Sincerely,

Paul I. Ernst, Director

Mr. Howard Boyd, Director
Registration Service

Dear Howard:

Recently the United States Navy dishonorably discharged Jerome Kubic. He was formerly attached to AEW BARRON PAC, Barber's Point, and served as assistant scoutmaster for Troop 121, sponsored by the United States Naval Air Station at Barber's Point. He was discharged following confinement at Tripler Army Hospital and at the conclusion of his investigation by the Office of Naval Intelligence.

At one time Kubic admitted to be a homosexual, but later denied admission. His activities have been questioned by some parents related to the Scout Troop. Description is as follows: 21 years of age at the time of registration on October 31, 1964; he is a Catholic; 5 foot 9 inches in height; weighs about 160 pounds; has sandy hair and blue eyes; and is single. It is believed that he came from Michigan but is last known to be living in California.

My recommendation is that this individual should not be allowed to register in Scouting. If it is necessary to go further than this letter and you want some sort of statement from the Office of Naval Intelligence, please let me know and I will try to obtain further proof.

Very best wishes.

Sincerely,

Storrs H. Smith
Scout Executive
